The AOPA's Airport Watch Program  
& Pilot Decision Making

August 5, 2003

GTCC – Main Campus 6:20 – 9:00 PM

Sears Auditorium, Jamestown, N.C.

## *Attention All Pilots! Learn how to protect your Airport*

### The AOPA's Airport Watch Program

7:00 – 7:50 PM

Now more than ever, it's imperative that GA pilots detect and report all suspicious activity. Join MayCay Beeler, Aviation Safety Counselor of the Year for the Southern Region and watch a brand new video created by Airport Watch and narrated by AOPA President Phil Boyer. You will learn how to better protect your airport. TSA Agents will be present to answer questions.

### General Aviation Pilot Decision Making

8:05 – 9:00 PM

Mark Grady and Larry Lambert team up to show you how you can make better decisions about your flying. Year after year the statistics show that about 75% of all accidents are caused by pilot error. That should be good news for pilots because you can do something about that. Watch the new FAA Video "Pressure Points".

### Early Movie

6:20 – 7:00 PM

*"The Magic of Flight"* takes you on a technological thrill ride faster, higher, and wider than modern science or even your imagination! Relive the historical first flight of the Wright Brothers in 1903, then soar with the world Famous Blue Angels as they defy the laws of gravity with their most breathtaking maneuvers. Narrated by Tom Selleck, "The Magic of Flight" highlights and salutes a variety of modern aircraft, the people who fly them, and the human potential of training and performance.
